BRACKETS FOR EVERY KIND OF VEHICLE!

Doubles your living space!

The Fiamma Privacy is the only enclosure that allows you full aeration on all windows. With the Privacy Room you can transform your awning into a comfortable living area.

The side panels are quickly put together with the exclusive patented Fast Clip that combines the canopy with the side walls. No other fixing system is as stable as the Fiamma Fast Clip. A protective foam is fitted vertically on the back part of the side panels along the support pole to guarantee a close fit. The front panel is inserted in the front rail of the awning and with the zipper joined to the side panels.

Front and side panels are composed of openable Crystal windows equipped with mosquito net. High Velcro layer for safe closing of the window
